 - As of Monday, new website is live
 - Members are encouraged to jump on and have a look
 - Very modern compared to the old site
 - Thanks very much to Craig Philp for the set up work
- Practice at lakeside
 - Reality is that we'd get put on track with cars unless we had big numbers

- Bremmer Ford
 - Paul P is in talks currently
 - Bremmer ford sound keen to get involved with the club
 - Time comparison is off the table due to insurance
- Ampol Family fun day
 - 4 karts will be there on display
 - Should be around 1000 people there
 - Will be great exposure for the club
 - Thanks to the members involved for volunteering their time.
- Morgan Park
 - A bulletin was sent to members about a free practice session that is available 12/08/2023 at midday.

4. TREASURER'S REPORT

Roger read.

All in favour

5. GENERAL BUSINESS

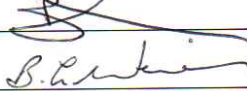

- On track conduct – between different classes
 - A conduct statement was read out by Doug and agreed to by drivers at round 3.
 - Statement is as follows

“A kart passing on the inside must have the most forward part of their kart inline or past the front wheels of the kart they are passing before the turn in point for the corner. If they are unable to do so the passing kart should yield the corner”
 - Members agreed this was adequate and will be followed.
- Honorary member form change
 - Topic moved to next meeting
- Head Rests
 - Head rests are a good idea but it isn't something that is easily fitted to a sprint kart
 - Some more research is needed before making any recommendation on this.
- Neck and rib protectors
 - This is personal preference from driver to driver
- Round 3 feedback
 - Mixed opinions from members about lakeside
 - All can agree the track is extremally bumpy and run off areas are dangerous
 - Some members have pointed out they will not race at lakeside in its current state

- Whilst there is support/entrys from members the QSC will still hold race meetings at lakeside.
- QR round 4 layout
 - Questionnaire will be sent out
- Gold coast 600 display
 - Doug has a contact, and will chase this up.
- SNTC
 - Wayne horswell has stepped away and mark robin has stepped up (NSW)
 - Stock honda cylinder replat submission didn't get passed
 - Amendment to the submission is that replating only to be done at electrasil in Melbourne.
 - QSC voted - 3 in favour
11 against
1 abstain
- DSO
 - A Bulletin will be sent to members about the functionality of the DSO
