## 5. GENERAL BUSINESS

- 2024 race dates
  - Qr sent us 5 dates – we took 4 of those
  - 5-7 april, 17-19 may, 23-25 aug, 25-27 oct
  - Entry will \$449 per driver
  - Doug to ask if we can condense a couple of those in to 1 day meetings
  - Drivers must have a AASA licence – no bridging licence anymore
  - We are on a back up list for the 2 days of thunder event
- Morgan Park
  - Unfortunately with QR rounds now requiring a full AASA licence it's unreasonable to have to purchase a full MA licence to race 1 or 2 rounds at MP.
  - There was a AASA event at MP in august this year. We will try our best to get on that event for 2024

- Lakeside
  - We've asked for race dates from Lakeside but haven't heard anything from them.
- AGM date/location
  - QR worked well last year, we'll ask if we can do the same
  - Aim for mid February
  - Target scrutiny day will be incorporated
  -
- QSC hats
  - Brock is going to get samples from the shirt suppliers
- Test and tune days @ QR
  - As discussed last meeting, we should be able to get on QR for test and tune while burnout events are on.
  
- Trailer stickers
  - Ewan has got a quote for QSC logo trailer stickers that are 400mm x 600mm
  - If we buy 50 they're about \$20 each
  - We will put a survey out to members to see who's interested.
