- On track Conduct addition
- GC 600
- SNTC meeting
- New member info packs
- Round 6 entry push
- Lap records
- 2024 calendar
- Trophies for gala night
- Gazebo rear wall

○ 1.2 BUSINESS ARISING FROM THOSE MINUTES

- Long sleeve shirt orders have been sent and should be available at rnd 6
- Gala night
 - 56 tickets sold. The Normanby haver said we can have 60 in the room. 4 tickets remaining.
 - We would still like some raffle prizes for the night.

- Raffle tickets will be \$5 this year but you can re-use your tickets This will reduce the amount of tickets required.
- Any dietary requirements need to be communicated to the club
- GC 600 trade stand
 - We can get a 3x3 space there. Waiting to hear how much this would cost.
- SNTC
 - Stock honda issue hasn't been voted on yet but it looks like QLD are the only club opposed to the change.
 - MA have said that all vehicles will require fire extinguishers mounted on board.
 - SNTC have approached MA about whether this applies to superkarts and MA have said that it does not.
 - MA rules state competitors need to have a 4.5 kilo extinguisher in the pits with them for re fuelling.
- New member info packs are under way
- Round 6 entry push
 - Only 6 entries in currently, but we're expecting 15 to 20 entries.
- Lap records
 - Still need to track these down
- 2024 calendars
 - None of the promoters have released their calendars yet

2. CORRESPONDENCE IN

- VSKC Newsletter

3. CORRESPONDENCE OUT

- September QSC meeting minutes
- Round 6 challenge email

- Gala voting email
- SNTC minutes
- Bulletin reminding members of important upcoming events/dates

4. TREASURER'S REPORT

Read by Roger

Doug second

All in favour

5. GENERAL BUSINESS

- 2024 racing calendar survey results
 - 21 members responded
 - Almost half of those said they would get an MA licence in 2024
 - Majority of voters wanted the season to start in March and end in November
 - Majority wanted 6 or 7 rounds in 2024
 - 9 voters said they didn't want any rounds at lakeside
 - Most voters wanted 1 or 2 rounds at Morgan Park
 - If you would like to see the full results of the survey please contact Doug
 - Once we can get a 2024 calendar off QR,MP and lakeside we will use this data to figure out our 2024 series the best we can.
- MA price increase
 - MA have increased their licence fee by 15% which ends up being \$550. They say this is due to insurance costs.
- QSC logbook scrutineer notes
 - There is concern that log book scrutineering notes are not being followed up on
 - Currently the DSO stamps the log book as a competition record.
 - We will create a file that has any scrutineer notes against the kart/drivers name. The DSO will be given this file so that they can check whether the issue has been fixed up or not when the stamp the log book.
- Practice days, non-race weekend
 - QR have offered practice days for us on the same day as they hold burnout events.
 - This would require us using a configuration of QR that doesn't use turn 1 or 2
 - This would still be a way of getting on track to test and tune

- The cost of this would be much reduced
- The practice sessions at QR this year that are before their sprint events are run under MA.
- Lakeside have test and tune sessions available but karts are on track with other open wheelers. The club advises against this due to safety concerns.
 - Members can participate in these events if they choose to at their own risk.
- The skid pan at the front gate at QR is also available to hire if we ever want to set up a come and try type of thing for new people.
- The Dyno at Coach design is available too, contact Chryss or Russ Jamieson to set up a time.
- Ampol local club grant
 - The club is going to see whether we can apply for this.

Meeting closed 8:30PM
