- KZ125 promo options
- NGB project
- Socials
- Round 2
- Time comparison
- Aus drone solutions
- Twin rotax superkart
- Planes trains auto
- Log books
- Kane – hero 4 camera

○ 1.2 BUSINESS ARISING FROM THOSE MINUTES

- Club shirts
 - Design has been made
 - \$42 per shirt
 - Similar material to last shirt
 - One off shirt orders can be made up after initial bulk order
 - Money from shirt sponsors going toward production.
- Website update
 - Tim has approached “my race profile”
 - They have experience in club websites like ours
 - Their product seems to meet our criteria with what we need
 - New website to be more friendly for mobile phone browsing
 - Our website has our bylaws and other important docs and this needs to be the case with new site
 - My race profile is offering a free trial
 - Need to keep our old site in case new one doesn’t go ahead for some reason
 - Motioned moved to take up My race profile on their free trial with the intention to move across
 - Tim second
 - All in favour
- Time comparison update
 - No 250 twins entering round 2
 - We will wait until a twin is available
- Banners look great and we got them for free as office works lost the originals
- SNTC is up and running
 - Form being sent out to club members
- Rookie subsidy is up and running
- Power republic has a short video uploaded – lots of views
 - Longer video to come
- Social media
 - Tim made a promo video about round 2 which has 1500 views
 - Footage from planes train autos has 1000 view.
 - This is wonderful promo
- 4 or 5 new people coming to round 2. They’ve been reached though socials
- Round 2 looking good, between 15 – 20 entries
 - We all really need to enter for practice online so QR know we’re coming and can arrange a Superkart slot. This is of the utmost importance. Karts running on track with other categories is dangerous and will turn away new members.
- Aus drone solutions
 - Paul is still working with them with footage they took from round 1
- PTA’s
 - We had a great day with 1000’s of people seeing our karts

- Hopefully convert that to members
- Next year would be nice to have more members helping out as those that were there were flat out
- Designated karts for kids to sit in.
- Log book
 - AASA log books will be required next year at QR
 - Cost is \$100
 - Their system is easy
-

2. CORRESPONDENCE IN

- Club shirt sponsor replies
- Rookie entry reply

5. GENERAL BUSINESS

- Club quick shade
 - Would be great to have a QSKC tent cover to lift our image at static displays like PTA's
 - Ideas and quotes to be brought to the next general meeting.
 - Size 6x3

- Roger to ask QR if we can rope off an area on the grass for our members to set up so were not spread out.
- Tony Fiveash and John la Spina joined the club. Tony has paid his membership fee but has not filled out a membership form. Membership is not valid until form is received by the club.
 - Club members present at meeting voted them in
 - All in favour
- Bernie to organise some more stickers. More QSKC stickers.
- Paul Prineas suggested to get some balloons to give out to kids and update stickers.
- Aus drone solutions coming to round 2 to get more content.
- Drene Jamieson has a few 80cc karts that he can lease out to interested new comers.
- Dave dyson and Tim Weier researching X30 gears.

Meeting closed 8:26PM
